Job Objective

Experienced Web Content Editor. I am seeking a position with a firm that can greatly benefit from my expertise and in return I hope to establish myself as a reliable employee.

Technical Skills:

- I have a firm understanding of the current web industry standards
- Familiarity with HTML, Css and a bit of XML programming
- I am also a certified Fullstack developer with React, and I have good understanding of server side vs client side code.
- Proficient with Adobe Photoshop, Illustrator, AdobeXD and Figma.
- I have had experience in writing, grammar, spelling, proofreading and editorial skills

Soft Skills:

- Building a good relationship with client
- Patience + determination
- Accountability and Acknowledgement
- Time management
- Listening skills
- Play and work balance
- Quality of friendliness

Work Experience:

Pecxer Financial Services: 2018 - current

- Created and Monitored content of website and assisted Director in the Web Content Editing process.
- Google Analytics - Search Engine Optimization
- Email and social media Marketing

Khanakhazana Indian Restaurant: 2020 - 2021

- Online Food ordering website for Indian Take-away business
- Facebook marketing

Education:

Enspiral Dev Academy: 2019

- Certified Fullstack Developer
- 700+ hours of coding
- Frontend lead on final project
- Simulated work environment - Agile/waterfall, git and scrum master

Yoobee School of Design: 2016

- Diploma in Web design
- Fundamentals of web design: Wireframes, HTML, CSS, JQuery, Php, JavaScript and WordPress
- Client Ecommerce website as final year project

Wellington Institute of Technology: 2009 - 2014

- Bachelor in Creative Technology: Major in digital media
- Graphic design, 3d modeling, character design, motion graphics
- Diploma in Sports Science

Semi-pro Rugby League player: 2008

- Elite sports contract

- Team player
- Self empowerment

I ENJOY

- Updating my skills set and knowledge through online courses & Youtube videos to keep up to date with tech trends. I also love hanging with family, playing guitar, walking/camping and painting.

ACHIEVEMENTS

- Represented my country Papua New Guinea to play against the Australian Kangaroos in an international test-match in 2007.
- 1st place in a national art competition in PNG in 1996
- Being a single dad for more than a decade

REFEREES
